

Travel Medical & Trip Insurance

We know that anything can happen while you're away from home - whether on vacation, visiting someplace short-term, or living abroad indefinitely. It's important to be prepared for any unexpected illness, injury, or medical emergency. Many traditional health insurance and medical plans simply are not designed for international travel.

Our Approach

Our travel medical and trip insurance specialists understand the complexities and risks that come with domestic and worldwide vacations and adventures. We provide exclusive access to domestic and international medical insurance, and trip insurance policies designed for travelers in search of the highest available benefit limits and most extensive coverage options. Our solutions include options for all types of travel and travelers including:

- Domestic & international trips
- Sailing & yacht charters
- Business travel
- Adventure travel
- Helicopter & backcountry skiing
- Other types of luxury vacations

Available Coverages & Services

- Trip cancellation
- Trip interruption (for any reason)
- Cancel for any reason (CFAR)
- Emergency medical evacuation & repatriation
- Quarantine monitoring & delay services
- Access to live 24/7/365 service for emergencies anywhere in the world
- Access to a global network of highly qualified providers
- Responsive medical management in the event of medical emergencies anywhere in the world
