

# Livery Insurance

## Tailored to How You Drive Business

If your business moves people for money, you need livery insurance and a specialist who understands the nuances of your business, its risks and liabilities. The Risk Strategies Transportation team is your trusted advisor, helping you navigate the complexities of fleet management, driver safety, and liability exposure. We work with you to achieve your business goals while protecting against the risks that can jeopardize your success.

The deep industry expertise and broad market access of our specialists helps them secure the most favorable terms by smartly bundling your auto, general liability, and excess coverages with a single carrier. When the unexpected happens, you can rest assured you have a dedicated partner to guide you through the claims process with confidence.

### Drive with Confidence Knowing You're Covered

As a top-ranked North American broker, our Transportation team also offers expert insight and broad market access to optional coverages that may be essential to your operation:

- **Liability** for bodily injury and property damage
- **Collision and Comprehensive** coverage for vehicle damage
- **Uninsured/Underinsured Motorist** protection

We also offer optional coverages vital to many operations:

- **General Liability** for broad legal protection
- **Workers' Compensation** for employee injuries
- **Cyber Insurance** for digital threats
- **Errors & Omissions Insurance** for professional liability

### Smarter Protection

Safe operations help lower insurance costs. We design programs that support safety technology like dual-facing cameras, which is now a must-have for documenting incidents and protecting your fleet.

In most states, livery insurance is mandatory. Let Risk Strategies help you go beyond minimum requirements with comprehensive protection and expert guidance.
