

EDUCATION PRACTICE

Our Specialty? Reducing Your Risk

Colleges and universities are coping with a constantly evolving field as they aim to provide protection for their students, faculty and property. Our specialty team will work with you closely to prepare for new and emerging risks, and provide the support and protection you need while balancing benefits and affordability.

- **Property & Casualty / Trustee Liability / Alternative Risk**
- **Employee Benefits**
- **Student Health**

Industry Insight

We understand the unique challenges and liabilities you face, which is why we provide a broad range of comprehensive coverages to address them. If your institution is worried about any of the risks below, we can help.

- **A hardening market with decreased capacity and increased rates, fueled by more carriers exiting the education space**
- **Evolving responses to Title IX about how educational institutions conduct inquiries into allegations of sex discrimination and sexual misconduct**
- **Social inflation escalating settlements and defense costs**
- **Implementation of remote learning**
- **Decreased enrollment and related revenue challenges**
- **Maintaining competitive and cost-effective employee benefits offerings**
- **Telemedicine and other Medical Professional exposures, including COVID19 Testing and vaccine related exposures**
- **Emerging risks such as social media and freedom of speech conflicts and political campus protests**
- **Cyber Risk (ransomware, data security, etc.)**
- **Chronic Traumatic Encephalopathy (CTE)**
- **High costs of student health insurance and difficulties in administration process**
