

LIFE INSURANCE PRACTICE

Our Specialty? Reducing Your Risk

Risk Strategies' Life Insurance practice is prepared for the 'what ifs' that life has to offer. Our entire team understands the value of protecting financial futures and is prepared to help you manage the basics of ensuring family members are provided for, establishing a wealth transfer plan, creating a business continuity pathway, implementing an executive benefit program, establishing a customized life, disability, and long term care insurance program or anything in between.

Industry Insight

It's difficult to plan life, but Risks Strategies' Life Insurance capabilities encompass all aspects of corporate and personal life, disability, and long term care. Our team of experts is dedicated to offering valuable solutions to ensure that each piece of your financial future is protected from known or unknown risks, including:

- **Income protection, estate distribution, preservation and transfer plans, wealth accumulation and asset protection**
- **Business planning for unforeseeable events regarding the owner, entrepreneur, executive or investor**
- **Continued management of life insurance portfolios to adjust or adapt to changes in objectives, industry, market or health**
- **Customized employer sponsored leadership and executive benefit programs**
- **Retirement planning including tax preferred principal accumulation, earning streams and longevity risk elements**

Solutions and Capabilities

Our team designs life insurance solutions based on each clients' unique circumstances – no two programs are the same. We work together to find solutions to your goals and maintain those objectives with our team. While each program is built differently, we offer solutions including:

- **Insurance product considerations like broad market access, carrier neutrality, and resources to assess differences in contract elements, performance potential and risk factors among carrier product offerings**
- **Full complement of product availability including term insurance, universal or variable universal life, private placement or specialty and high limit programs**
- **Specialized insurance underwriting capabilities including medical and financial underwriting expertise utilizing direct carrier access**
- **Guaranteed issue programs for corporate sponsored life and disability insurance solutions**
