

INTERNATIONAL PRACTICE

Our Specialty? Reducing Your Risk

All too often, companies are exposed to international risks without adequate preparation and protection. From manufacturing, life sciences, real estate, and construction, to energy, entertainment, health care, and higher education, Risk Strategies' International Practice is a partner in protecting your company's best interests as we navigate the complex international market and its evolving risks.

Industry Insight

Our International Practice specializes in the design, placement, and implementation of property and casualty insurance programs for U.S. multinational companies and organizations. We leverage our expertise in global placements and markets to help you make informed decisions that reduce your total cost of risk.

Whether your company is starting to expand or has an established global footprint, our team of experts will work with you to implement state-of-the-art risk financing programs across your entire organization. Our comprehensive, cost-effective solutions encompass all property and casualty coverages, including:

- All Risk Property
- Ocean Cargo/Stock Throughput
- General Liability (Product and Public Liability)
- Product Recall
- Auto Liability & Physical Damage
- Workers Compensation and Employers Liability
- Excess Liability

Solutions and Capabilities

We design every program from the ground up with a focus on strategically leveraging global market capacity to best accomplish your risk management objectives. As your global insurance broker, Risk Strategies will design and implement insurance placements providing the broadest coverage terms available while also ensuring full compliance with local insurance regulations in every country. We will also act as a single point of contact to simplify program administration and optimize program efficiency. Our International team provides:

- Detailed, country-specific reports covering local regulations, compulsory coverages, and program compliance information
- Controlled Master Programs to leverage buying power and ensure consistency of coverage worldwide
- Strategic utilization of London, European, and Bermuda capacity as appropriate
- Central coordination of all claims activity
- Industry-specific manuscript policy wordings
