

PRIVATE CLIENT PRACTICE

Our Specialty? Reducing your risk

How would it feel to have a Risk consultant to help you manage the risk that comes with your success? Our Risk consultants help protect you and your assets by:

- Discussing risk mitigation
- Protecting you with insurance
- Advising on best practices
- Developing a plan

Liability risks are real, cyber threats are constant, and your property assets face threats from climate change and unforeseen accidents. Let your Risk consultant arm you with facts, advocacy and insurance options so you can choose how to best protect what is most important to you.

Industry Insight

The Risk Strategies Private Client Team partners with clients to anticipate risks they face and mitigate and insure against vulnerabilities such as:

- Liability exposures from newly licensed drivers, personal watercraft, yachts, domestic employees, fractionally and/or owned aircraft
- Natural disasters including wildfires, hurricanes, tornadoes, earthquakes and winter storms
- Damage to fine art, jewelry, wine and other collections
- Domestic and international travel safety and security, including kidnap/hostage situations
- Commercial risks such as family offices, foundations, non-profit boards, small or hobby businesses, and domestic workers compensation
- Cyber threats from identity theft, social engineering, and malware

Solutions and Capabilities

Our professional Risk consultants spend time to understand your priorities. Our solutions are crafted to protect you, your family, and your assets from loss through insurance and risk mitigation.
