The Newport International Boat Show encompasses thirteen acres of Newport's downtown waterfront. Exhibitors from near and far offer a full range of new powerboats and sailboats, plus a medley of marine products, services and accessories to enhance the nautical lifestyle. Special events, seminars, and in-water boating courses for the whole family are offered on all show days. Not to be missed is the exciting Newport For New Products program – showcasing boats and boating products making their first-ever debut in the United States.
