Risk Strategies Acquires Massachusetts' Costello Benefits Group

May 17, 2018

Insurance Journal

Risk Strategies, a privately held, national insurance brokerage and risk management firm, has acquired Costello Benefits Group (CBG Benefits Inc.), a full-service employee benefits brokerage firm headquartered in Woburn, Mass. This acquisition is part of a broader strategy for Risk Strategies in the last year, in which it has brought three separate, independent specialty agencies and brokerages into its operations that are focused exclusively on employee health and welfare program challenges.
