Risk Strategies CEO: Emerging risks, captive insurance and consolidation

By Lucy Hook

Jul 23, 2018

Corporate Risk and Insurance

Risk management and broking firm Risk Strategies has been on the acquisition trail this year, growing its business through several deals. Its latest move saw it purchase Oxford Risk Management Group, an alternative risk, captive insurance and consulting firm, for an undisclosed sum.

Corporate Risk and Insurance spoke to Risk Strategies' CEO Mike Christian to find out more about the deal, and the big risks facing companies.
